
Context of Maker culture

A brief history review

- Hunting and gathering
- Agriculture
- Building
- Weapons
- Dig for resources
- Symbolic value materials
- Entertainment
- Non-material tools

Who are makers?

People who use tools
to make more tools

What is a tool?

- Reduce time & effort to a desired outcome
- Repeatability
- Lesser skills
- Multi-use
- Scope for pleasant surprises
- New - future ready

Break

Why make?

*It is not the strongest of the species that survives,
but the most adaptable - ?**

- Survival
- Convenience
- Escape

Nature's makers

- Bees
- Ants
- Birds

Maker's nature

- A keen observer
- Hand-thinking
- Visual Vs. abstract
- Sensuous
- Gambler
- *Amateur*

Next . . .

- Modern making Vs Traditional ways
- Role of technology in society
- Role of makers in current and future society
